For the reasons announced in the court's order of August 21, 2006 granting the airline defendants' motions for summary judgment in the Warsaw actions, summary judgment is GRANTED for Delta Airlines, Inc, Northwest Airlines, Inc and ATA Airlines, Inc. This order affects only the named airline defendant(s) in each of the above-captioned Warsaw cases.

Pursuant to FRCP 54(b), the court finds that there is no just reason to delay entry of judgment in favor of any airline

1 defendant that is both a party to the present motions and against
2 which the only Article 17 accidents alleged are the onset of DVT or
3 the absence or insufficiency of a warning regarding DVT or policy-
4 level decisions regarding the same. Accordingly, the clerk is
5 DIRECTED to enter judgment in favor of the airline defendants. In
6 any action in which the clerk enters judgment in favor of an
7 airline defendant and in which no other active defendant is named,
8 the clerk is further DIRECTED to close the file and terminate all
9 motions.
